

Mechanical Parts				
	Name	Form of composition		
1	Main drive components	Full servo driven roller forming		
2	Front feeding (fixed length) part	Full servo motor, synchronous belt drive, cot feeding		
3	Finished product stacking	Finish product collecting platform		
4	Control system	Motion controller + touch screen digital operating system		
Mian Configuration				
	Name	Size	Origin place	Qty.
1	SIEMENS Full servo motor	1000W	Germany	1set
2	SIEMENS Full servo motor	1000W	Germany	2sets
3	SIEMENS Full servo motor	750W	Germany	1set
4	SIEMENS Full servo motor	400W	Germany	1set
5	Full packing stacking	(L) X 1100 (W) X 1800 (H) X 1200	Taiwan	2sets
6	Jiachen magnetic powder brake	6N	Wenzhou	3sets
7	Jiachen magnetic powder clutch	15N	Wenzhou	1set
8	Jiachen magnetic powder clutch	6N	Wenzhou	2sets
9	Weinniew touch screen	10 inches	Taiwan	1set
10	Trio motion controller		England	1set
11	Jiachen tension control board		Wenzhou	6sets
12	Simulation rectification		Jiangsu	1set
13	Outer forming roll	(Imported DC53 die steel) specification is determined by customer	Jiangsu	2sets
