

Qingdao NPA Industry Co, Ltd.

**Heat Resistant Alloy
Centrifugal Casting Tube & Static Casting Supplier**

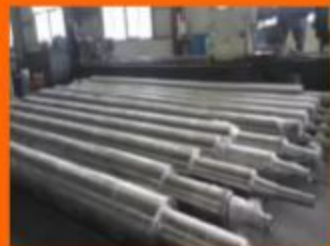

Petrochemical Industry

- Cracking furnace tube (ethylene, styrene)
- Reformer tube (hydrogen, ammonia and methanol)
- Inlet/outlet manifold

Metallurgical and Heat-treatment Industry

- Furnace roller
- Radiant tube
- DRI reformer tube

Glass Industry

- Lift-out roller
- Annealing lehr roller
- FF800 roller

Catalyst reformer tube

Ethylene cracking furnace tube

Overheat steam furnace tube

Tee

Manifold

Hand-type fitting

Bent tube
