*Technical Attributes*

x-motion	3000 mm
y- motion	1000 mm
z- motion	900 mm
control	SIEMENS
SINUMERIK 828 D	
table surface area l x w	3200 × 1000 mm
taper	BT 50
tool changer positions	24
turning speed range	8000 pm
feed range	5000 mm/min
rapid motion	10 m/min
weight approx.	15000 kg
work piece weight	2000 kg
dimensions (l x w x h)	7500×3500×3200 mm
approx.	
year of construction	2018
Machine quality	unchecked
Origin	Germany

*Delivery*

location	Runkel, Germany
Delivery terms	FCA 65594 Runkel, located on truck

**Lot-No.      Item Description****Total lots Amount**

144,000.00€

Full payment is paid to our bank account, when the machine is  
delivered, and receives technical approval from the buyer.
