METAL TRADING

Plates
Tubes
Profiles
Heads

Products

Plates

Hot rolled
Colled rolled
Galvanised
Chequered
Clad plates

Tubes

Welded
Seamless
Round
Rectangular
U / finned

Sections

IPN, UPN, IPE, UPE
HEA, HEB, HEM
UB (Brittish standard)
Bars (round, flat, hex)
Angles

Others

Tube sheets
Heads
Fittings
Forgings
Castings

Delivery

Delivery

From stock
From new production
From Romania
From EU / Non-EU

Certifications

EN / DIN
ASME / ASTM
3.1/ 3.2 cert.
Additional testing

STEEL PRODUCTS DISTRIBUTION DIVISION

We strive to find solutions based on your needs: from stock or new production, with additional mechanical or NDE testing and certifications, with transport, insurance, financing and warranty, regardless of the order size, grade, quantity, dimensions or additional requirements. In our service center or at our suppliers, we can cut to size, bend, process, protect, pack or store the products before delivery.

Grades

Boilers

P265GH/ NL
16Mo3
13CrMo4-5
10CrMo9-10

Structural

S235/ 275/ 355
JR/ JO/ J2 + N
S355/420/460NL
Corten, Hardox

Stainless steel

304/L/H, 306, 310/S,
316/L/H/Ti/LMo, 321
410...431
Duplex, Superduplex

Pressure

X10CrAlSi13
15NiCuMoNb5-6-4
P275/ 355 /460
NH/ NL1/ 2

Superalloys

Monel
Inconel
Incoloy
Hastelloy

Non ferrous alloys

Brass
Copper
Nickel
Aluminium

MANUFACTURING DIVISION

We manufacture a wide range of products starting from simple civil structures to high pressure equipment for petrochemical or power industry or components for the medical industry.

Our new investments in our fabrication lines include automatic welding and cutting equipment, 3 and 4 cylinder rolling machines and new controlled rooms for blasting and painting. We have verified sub-suppliers to assist us in the operations that are above our range of expertise, equipment or size.

Equipment

Cutting

CNC Plasma/Oxy
CNC Turret Punch
Guilotine
Band saw

Welding

Automatic beam
Semiautomatic
Manual
MAG/ WIG/ SAW

Bending

CNC Abkant
CNC Tube bending
CNC Plate rolling
Profile rolling machine

Machining

Drilling
Turning
Milling
Grinding

NDT

Ultrasonic
Radiographic
Magnetic powder
Liquid penetrating

Surface treatment

Metallic balls blasting
Controlled atmosphere painting
Chemical cleaning
